Priority

Acknowledgment is made of applicant's claim for foreign priority based on an application filed in Italy on October 12, 1999. It is noted, however, that applicant has not filed a certified copy of the Italian application as required by 35 U.S.C. 119(b). The Examiner notes the presence of a paper in the file containing what appears to be the cover sheet of a certified copy of the priority document but the actual disclosure seems to be missing. The pages included with the aforementioned cover sheet seem to be nothing more than an abstract of the contents of the actual priority document. To perfect their claim of priority, Applicant's should re-submit a complete copy of the Italian document.

Allowable Subject Matter

Applicant has cancelled all of the claims subject to rejection in the last correspondence. The Examiner did not locate a reference in an updated survey of the prior art that was more germane than those already cited. Accordingly, claims 1,4-7,9,11,15,17,19,20,23-27 and 30-35 are allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Marc S. Zimmer whose telephone number is 571-272-1096. The examiner can normally be reached on Monday-Friday 8:00-4:30.
